

## Harvard Bioscience Announces Second Quarter 2023 Financial Results

- **Q2 Revenues of \$28.8 million**
- **Q2 GAAP operating income \$0.8 million, adjusted operating income \$3.6 million**
- **Strong H1 operating cash flow drove net debt reduction of \$5.4 million**

HOLLISTON, Mass., August 8, 2023 (GLOBE NEWSWIRE) -- Harvard Bioscience, Inc. (Nasdaq: HBIO) (the “Company”) today announced financial results for the second quarter ended June 30, 2023.

Jim Green, Chairman and CEO said, “We are encouraged by the continuation of a strong start to the fiscal year, with growth from new products and our improved portfolio largely offsetting the revenue from discontinued low margin products that we obsoleted last year.”

Green continued, “New products launched in 2022 demonstrate our ability to leverage our recognized technical leadership in academic research and discovery into industrial applications for CRO, pharma and biotech customers, as shown by our initial success in bio-production and in high-capacity behavioral systems. In addition, in the first half of 2023, we began shipping our innovative second-generation MEA (multi electrode array) systems designed for testing at the cell and developing organoid level.”

## **Second Quarter 2023 Highlights**

For the second quarter of fiscal 2023, the Company reported revenues of \$28.8 million, compared to \$29.2 million in the second quarter of fiscal 2022. Second quarter revenues include a net reduction of \$1.6 million from discontinued products compared to the second quarter of last year. Gross margin for the three months ended June 30, 2023 was 58.0% compared with 57.0% in the comparable quarter of the prior year.

Operating income for the second quarter of fiscal 2023 was \$0.8 million, compared to \$4.0 million in the same prior year quarter, which included a favorable reversal of litigation reserves of \$4.9 million. Adjusted operating income for the second quarter of 2023 was \$3.6 million compared to \$3.1 million in the prior year period.

Net loss for the second quarter of 2023 was (\$1.0) million, including a \$1.6 million mark to market reduction of marketable securities, compared to net income of \$2.4 million in Q2 2022 which included the aforementioned reversal. Adjusted EBITDA for the second quarter of 2023 was \$3.9 million, compared to adjusted EBITDA of \$3.4 million in Q2 2022.

Cash provided by operations for the second quarter of 2023 was \$3.6 million and net debt was reduced by \$3.2 million.

## **First Half 2023 Highlights**

For the six months ended June 30, 2023, revenues were \$58.7 million, compared to \$58.0 million in the same period a year ago. First half 2023 revenues include a net reduction of \$2.8 million from discontinued products compared to the first half of last year. Gross margin for the six months ended June 30, 2023 was 59.6% compared with 56.6% in the comparable period of the prior year.

Operating income for the first half of 2023 was \$2.5 million, compared to an operating loss of (\$2.7) million in the first half of 2022, which included a litigation reserve of \$0.3 million. Adjusted operating income for the first six months of 2023 was \$8.0 million compared to \$5.4 million in the prior year period.

Net loss for the first half of 2023 was (\$0.4) million, including a \$1.6 million mark to market reduction of marketable securities, compared to a net loss of (\$4.4) million for the comparable period of 2022, including the aforementioned reserve. Adjusted EBITDA for the six months ended June 30, 2023 was \$8.7 million, compared to adjusted EBITDA of \$6.1 million for the comparable period of 2022.

Cash provided by operations was \$5.4 million and net debt was reduced by \$5.4 million in the first half of 2023.

## **2023 Guidance**

We expect revenues of approximately \$116 million to \$120 million for the full year 2023. This expected growth anticipates an approximate 4 percentage point headwind from discontinued products. For the year 2023, we expect gross margins of approximately 60% and adjusted EBITDA margins in the 15% to 17% range. We also remain on the path to reduce our net leverage ratio to approximately 2X by the end of this year.

This press release includes certain financial information presented on an adjusted, or non-GAAP, basis. For additional information on the non-GAAP financial measures included in this press release, please see “Use of Non-GAAP Financial Information” and “Reconciliation of GAAP to Non-GAAP Financial Measures” below.

Net leverage ratio is defined under our credit agreement as our net debt divided by our trailing twelve months adjusted EBITDA.

## **Use of Non-GAAP Financial Information**

In this press release, we have included non-GAAP financial information, including adjusted operating income (loss), adjusted net income (loss), adjusted EBITDA, adjusted EBITDA margin, adjusted diluted earnings (loss) per share and net leverage ratio. We believe that this non-GAAP financial information provides investors with an enhanced understanding of the underlying operations of the business. For the periods presented, these non-GAAP financial measures have excluded certain expenses and income resulting from items that we do not believe are representative of the underlying operations of the business. Items excluded include stock-based compensation, amortization of intangibles related to acquisitions, litigation settlement, restructuring and other costs, unrealized gain/loss on equity securities and income taxes. They also exclude the tax impact of the reconciling items. Management believes that this non-GAAP financial information is important in comparing current results with prior period results and is useful to investors and financial analysts in assessing the Company’s operating performance. Non-GAAP historical financial statement information included herein is accompanied by a reconciliation to the nearest corresponding GAAP measure which is included as exhibits below in this press release.

With respect to forward-looking measures, we provide an outlook for adjusted EBITDA margin and net leverage ratio. Many of the items that we exclude from these forward-looking measure calculations are less capable of being controlled or reliably predicted by management. These items

could cause the forward-looking measures presented in our outlook statements to vary materially from our GAAP results.

The non-GAAP financial information provided in this press release should be considered in addition to, not as a substitute for, the financial information provided and presented in accordance with GAAP and may be different than other companies' non-GAAP financial information.
