Harvard Bioscience to Present at Inaugural Equities.com Small-Cap Stars Conference at the NASDAQ MarketSite in New York City on December 18, 2014

HOLLISTON, Mass., Dec. 16, 2014 (GLOBE NEWSWIRE) -- Harvard Bioscience, Inc. (Nasdaq:HBIO), a global developer, manufacturer, and marketer of a broad range of equipment, instruments and solutions to advance life science, will present at the inaugural equities.com Small-Cap Stars Conference at the NASDAQ MarketSite in New York City on December 18, 2014. Jeffrey Duchemin, President and Chief Executive Officer, and Robert Gagnon, Chief Financial Officer, will present at 2:50 pm ET.

Management will also be available for one-on-one meetings throughout the day. Meetings can be arranged through the conference website or by calling 212-825-3210.

The equities.com Small-Cap Stars Conference brings together emerging growth and under-covered small cap companies to meet with an audience consisting of members of the investment community.

About Harvard Bioscience
